

JEFFERSON **GOP**

REPUBLICAN PARTY OF JEFFERSON COUNTY

8/17/2023

Today, we stand united, not merely as a collection of individuals, but as a steadfast community bound by shared values and aspirations. The dawn of a new era has arrived, one in which the principles of individual liberty, responsible governance, and economic opportunity shall shine brighter than ever before. With hearts full of hope and a vision for our future, we proudly celebrate the Republicans' ascendancy as the majority party in our small county!

We recognize that our journey here has been one of perseverance and dedication. We have championed the ideals that have made Jefferson County great - personal freedom, limited government, and the unshakable belief that every individual should have the chance to forge their own path toward success. Today, as we take the helm, we reaffirm our commitment to these core values.

This is not just about numbers at the Supervisor of Elections office. This is about the families whose dreams are tied to the success of our town. We do not forget the heart and soul of Jefferson County - its people. We stand strong in our belief that every individual's voice matters, that the tapestry of our community is woven with threads of diverse perspectives. We will continue to be a party that listens, engages, and respects the opinions of all, for unity is the cornerstone of our success.

This victory is not an end, but a new beginning. For years, we have voted conservatively, even if our registrations didn't align. Now is the time when the Republican majority becomes synonymous with progress, with opportunity, and with a limitless belief in what we can achieve together. Our mission is to uphold the principles that have stood the test of time, to honor the traditions that have shaped our community, and to pave a road forward that all can walk proudly.

I sincerely thank you for allowing me to serve our community as the Republican Party Chairman and its new Majority Party Leader.

With that being said, let it be known that Jefferson County is Republican RED!

Thank you, and may God bless our great county, state and country!

B. Glen Bishop - Chairman
