FULL TIME LINEMAN TRAINEE

Tri-County Electric Cooperative has an opening for a Full Time Lineman Trainee in our Madison office. TCEC is a not for profit, member owned distribution cooperative providing electricity to more than 20,000 services across 3,100 miles of energized line. TCEC delivers safe and reliable electric service, through employees who provide exceptional support to our member-owners and the communities we serve.

This position requires working outside in adverse weather conditions and frequently working overtime; however, it is a rewarding position with good growth opportunities and does not require any previous line experience. We are looking for a candidate with a minimum of a high school diploma or equivalent; however, an AA degree or higher is preferred. The ideal candidate will have a solid work history and enjoy working in a team environment. On-the-job training will be provided. The candidate must have a Class B, Commercial Driver’s License, or be able to obtain one within six months of employment.

TCEC is a family-oriented company promoting the personal and professional growth of our employees. We offer a comprehensive benefits program including paid time off; full healthcare benefits with minimal waiting period; life and disability insurance; as well as both a 401k and Defined Pension plan.

Tri-County is an Equal Opportunity Employer (EOE) and Drug Free Workplace (DFWP).

Please send resume and completed Tri-County Employment Application Form, which is available at any TCEC office or online at www.tcec.com, before March 28, 2024 to:
